R E S O L U T I O N

UTILITIES DIVISION
BRANCH/SECTION: Gas
DATE: March 15, 1977

SUBJECT: Request to Provide Additional Natural Gas Service
In Excess of 50 Mcfd

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY, by Advice Letter No. 881-G, filed February 18, 1977, having requested Commission approval under the provisions of Decision No. 85189, to supply additional natural gas in excess of 50 Mcfd to Conrad Silva (Applicant) in Holt, San Joaquin County with the following provisions:

1. Applicant's request is for an additional average daily consumption of 168 Mcf, raising his existing average daily consumption from 12 Mcf to 180 Mcf.
2. Applicant will use this additional gas to operate a direct fired grain dehydrator to dry corn.
3. Fuel oil cannot be used in this application since the combustion products produce toxic residues, off flavors and odors which make the product unacceptable.
4. We find that this Applicant will be classified in Priority 2A under the end use criteria adopted in Decision No. 85189; therefore, good cause appearing,

IT IS ORDERED that:

1. Authority be granted under the provisions of Decision No. 85189 for PG&E to supply the requested service to Conrad Silva effective March 20, 1977, which constitutes regular statutory notice.
2. The above advice letter and application be marked to show that they were issued under Resolution of the Public Utilities Commission of the State of California No. G-2053. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 15th day of March, 1977, the following Commissioners voting favorably thereon:
