RESOLUTION NO. G-2095

R E S O L U T I O N

UTILITIES DIVISION  
BRANCH/SECTION: Gas  
DATE: June 21, 1977

SUBJECT: Order Authorizing Acceptance of Special Contract Under  
Conditions Deviating From Filed Tariffs

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY, by Advice Letter No. 906-G, filed May 20, 1977, having requested authorization to carry out the terms and conditions of a special contract with Southern Pacific Industrial (Applicant) covering gas main extensions to applicant's development in Union City, Alameda County, under conditions deviating from filed tariffs, and resulting in the following:

1. The agreement deviates from filed tariffs in that the Applicant will pay in advance of construction, \$7,976, which is the total cost of construction of facilities to serve Applicant.
2. The agreement further deviates from filed tariffs in that the Applicant is required to pay a cost-of-ownership fund of \$3,924, which is the present worth of annual charges of 12% per annum for five years.
3. We find that this agreement is compensatory and nondiscriminatory and provides for service to the Applicant in such a manner as to not place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that:

1. Authority be granted under Sections 454 and 532 of the Public Utilities Code to place this contract into effect on June 21, 1977.
2. The above advice letter and contract be marked to show that they were accepted for filing under Resolution of the State of California No. G-2095. The effective date of this Resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 21st day of June, 1977, the following Commissioners voting favorably thereon:
