RESOLUTION NO. G-2127

R E S O L U T I O N

UTILITIES DIVISION
BRANCH/SECTION: Gas
DATE: August 9, 1977

SUBJECT: Order Authorizing Acceptance of Special Contract Under
Conditions Deviating from Filed Tariffs

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY, by Advice Letter No. 927-G, filed July 11, 1977, having requested authorization to carry out the terms and conditions of a special contract with Hi-Tech Industrial Development (Applicant) covering a gas main extension and supply of natural gas to Applicant's facilities in Oakdale, Stanislaus County, under conditions deviating from filed tariffs, and resulting in the following:

1. The agreement deviates from filed tariffs in that the Applicant will pay in advance of construction, \$6,641, which is the estimated total cost of facilities required to serve Applicant.

2. The agreement further deviates from filed tariffs in that the Applicant is required to pay a cost-of-ownership fund of \$1,037, which is the present worth of annual charges of 12% per annum for five years, less the value of the facilities required to serve Priority P-1 applicants.

3. We find that this agreement is compensatory and nondiscriminatory and provides for service to the Applicant in such a manner as to not place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that:

1. Authority be granted under Sections 454 and 532 of the Public Utilities Code to place this contract into effect on August 10, 1977.

2. The above advice letter and contract be marked to show that they were accepted for filing under Resolution of the State of California No. G-2127. The effective date of this Resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 9th day of August, 1977, the following Commissioners voting favorably thereon:
