RESOLUTION NO. G-2134
UTILITIES DIVISION
BRANCH/SECTION: Gas
DATE: August 30, 1977

RESOLUTION

SUBJECT: Order Authorizing Acceptance of Special Contract Under
Conditions Deviating from Filed Tariffs

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY, by Advice Letter No. 931-G, filed August 5, 1977, having requested authorization to carry out the terms and conditions of a special contract with the City of Santa Clara (Applicant) covering the installation of gas facilities within Improvement Project 170/170A, Marriott Business Park, Unit 1, in the City of Santa Clara, in Santa Clara County under conditions deviating from filed tariffs, and resulting in the following:

1. The agreement deviates from filed tariffs in that the Applicant will pay in advance of construction, \$36,505 representing the estimated total installed cost of facilities, including \$5,892 for trenching costs.
2. The agreement further deviates from filed tariffs in that the Applicant is required to pay a cost-of-ownership fund of \$17,780, which is the present worth of annual charges of 12% per annum for 5 years.
3. Refunds will be made in accordance with the provisions of Rule No. 15.
4. We find that this agreement is compensatory and nondiscriminatory and provides for service to the Applicant in such a manner as to not place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that:

1. Authority be granted under Sections 454 and 532 of the Public Utilities Code to place this contract into effect on September 4, 1977.
2. The above advice letter and contract be marked to show that they were accepted for filing under Resolution of the State of California No. G-2134. The effective date of this Resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 30th day of August, 1977, the following Commissioners voting favorably thereon:
