SUBJECT: Order Authorizing Acceptance of Special Contract Under
Conditions Deviating from Filed Tariffs

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY, by Advice Letter No. 933-G, filed August 5, 1977, having requested authorization to carry out the terms and conditions of a special contract with Santa Cruz Canning Company (Applicant) covering the installation and removal or abandonment of gas facilities for temporary service to its incinerator at Moss Landing in Monterey County, under conditions deviating from filed tariffs, and resulting in the following:

1. The agreement deviates from filed tariffs in that the Applicant will pay in advance of construction, \$798 representing the agreed cost for installation and removal or abandonment of the gas facilities.
2. The agreement further deviates from filed tariffs in that the Applicant is required to pay a cost-of-ownership fund of \$99.45, which represents a charge of 1% per month of the installed cost of the gas facilities (\$585) for the period from August 1, 1976 to December 31, 1977.
3. Refunds will be made in accordance with the provisions of Rule No. 13.
4. Prior approval to provide gas in excess of 50 Mcfd was granted to this Applicant by Commission Resolution No. G-1902 on June 8, 1976.
5. We find that this agreement is compensatory and nondiscriminatory and provides for service to the Applicant in such a manner as to not place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that:

1. Authority be granted under Sections 454 and 532 of the Public Utilities Code to place this contract into effect on September 4, 1977.
2. The above advice letter and contract be marked to show that they were accepted for filing under Resolution of the State of California No. G-2136. The effective date of this Resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 30th day of August, 1977, the following Commissioners voting favorably thereon:
