SUBJECT: Order Authorizing Establishment of Inverted Rate Structure for LPG Utility.

WHEREAS: McCLOUD GAS COMPANY, INC., by Advice Letter No. 30 filed May 17, 1978, having requested authority under Sections 454, 490 and 701 of the Public Utilities Code to revise its rate schedules to establish inverted rate schedules in keeping with Commission policy as determined by Decision No. 87585, as set forth on Cal. P.U.C. Sheets Nos. 130-G to 132-G, inclusive, under the following conditions:

1. The proposed rate revisions as detailed below will produce no additional annual revenue and should have no appreciable effect on the average customers' bill:

Table with 3 columns: Schedule, Present Rates, Proposed Rates. Rows include Schedule G-80 - Commercial and Schedule G-81 - Residential (Summer and Winter) with various therm ranges and rates.

2. The resultant rate revision will affect lifeline rates to the extent of a 4 cent increase in the summer months and less than a 1/2 cent decrease in the winter months.

3. The utility's calculations include an estimated 2 1/2% decrease in sales expected to occur due to the inversion of rates and based on a sales trend over the past few years, and

WHEREAS: We find these rate revisions to be fair and equitable and in keeping with the Commission policy of establishing inverted rate schedules; therefore, good cause appearing.

IT IS ORDERED that:

1. Authority be granted under Sections 454, 490 and 701 of the Public Utilities Code for McCloud Gas Company, Inc. to place the above tariff sheets into effect for service rendered on or after June 16, 1978.

The above tariff sheets be marked to show that they were accepted for filing by Resolution of the Public Utilities Commission of the State of California No. G-2225. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 13th day of June, 1978, the following Commissioners voting favorably thereon:
