RESOLUTION NO. G-2249

UTILITIES DIVISION
BRANCH/SECTION; Gas
DATE: September 19, 1978

R E S O L U T I O N

SUBJECT: Order Approving Additional Funding for GEDA Project No. 75-B

WHEREAS: PACIFIC LIGHTING GAS DEVELOPMENT COMPANY (PLGD) AND SOUTHERN CALIFORNIA GAS COMPANY by letter dated September 6, 1978, have requested approval of additional development activities on GEDA Project No. 75-B (Cities Service-South Alaska) under the following circumstances:

1. GEDA Project No. 75-B was approved on April 8, 1975 by Resolution No. 1749-G which authorized the drilling of three exploratory wells.
2. Wells on the Lewis River Unit and the Stump Lake Unit were successful causing the discovery of a substantial volume of proven, probable and possible gas reserves.
3. In order for PLGD to protect their interests in these units and further extend the gas reserves, additional drilling is required by the State of Alaska.
4. PLGD proposes to acquire additional seismic data and drill three additional wells in the next two years at a total cost of approximately \$12.2 million in return for additional working interest.
5. We find that the request to acquire additional seismic data and to fund the drilling of additional wells on the above project should be granted and that a public hearing is not necessary, therefore, good cause appearing,

IT IS ORDERED that:

1. Authority be granted pursuant to the provisions of Decision No. 88121 for Pacific Lighting Gas Development Company and Southern California Gas Company to fund the drilling of additional wells on the above project.
2. The cost of service associated with the funding shall be accumulated and reflected in the 1979 adjustment for under or over collections.
3. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 19th day of September, 1978, the following Commissioners voting favorably thereon:

Executive Director
