SUBJECT: Order Authorizing Acceptance of Special Contract Under Conditions
Deviating from Filed Tariffs

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY (PG&E), by Advice Letter No. 1042-G, filed May 18, 1979, has requested authorization to carry out the terms and conditions of a special contract with Southern Pacific Industrial Development Company (SP), covering a gas main and distribution extension to provide natural gas service to SP's commercial and industrial development in Stockton, San Joaquin County, under the following conditions:

1. The agreement deviates from filed tariffs in that SP will pay in advance of construction \$31,821, which represents the total cost of the system.
2. The agreement further deviates from filed tariffs by requiring a monthly cost-of-ownership charge of \$318.21 representing 1% of the advance.
3. In the event that refunds are made on the advance, the monthly cost-of-ownership charge will be adjusted accordingly.
4. SP desires the gas facilities for an industrial park development and is not the ultimate consumer of gas and it is not yet determined who the ultimate consumers will be.
5. This agreement is similar in context to the agreement filed by Advice Letter No. 1039-G, and authorized by Commission Resolution No. G-2276 on May 22, 1979, and

WHEREAS: We find that this agreement is compensatory and nondiscriminatory and will provide service to applicant in such a manner as to not place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that:

1. Authority is granted under Sections 454 and 532 of the Public Utilities Code to place this contract in effect on June 17, 1979.
2. The above advice letter and contract be marked to show that they were accepted for filing under Resolution No. G-2282 of the Public Utilities Commission of the State of California. The effective date of this Resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 5th day of June, 1979, the following Commissioners voting favorably thereon:

Executive Director
