RESOLUTION NO. G-2331 *ur*
UTILITIES DIVISION
BRANCH/SECTION: Gas
DATE: November 30, 1979

R E S O L U T I O N

RETURN TO GAS BRANCH

SUBJECT: Southern California Gas Company. Order Authorizing Changes in Gas Tariff Schedules and Acceptance of a Gas Service Agreement with the City of Long Beach.

WHEREAS: SOUTHERN CALIFORNIA GAS COMPANY, by Advice Letter No. 1192, filed November 1, 1979, requests authority under Section 532 of the Public Utilities Code to amend Schedule No. G-60, Wholesale Natural Gas Service, and to file a revised Gas Service Agreement between the utility and the City of Long Beach as set forth on Cal. P.U.C. Sheets Nos. 15509-G to 15518-G, inclusive, under the following conditions:

1. The revisions to the service agreement are made to conform to recent Commission decisions on parity of service, end-use priorities and own-source gas supplies, as well as reflecting the Commission's expressed desires for simplification and consistency.
2. The revision provides for parity of service in each end-use priority at the practical equivalent of levels of service provided to retail and other wholesale customers in parallel priorities.
3. The agreement also provides for levels of service in accordance with the Commission's end-use priorities as set forth in Rule No. 23 of the utility's filed tariff schedules.
4. The agreement further provides for gas supplies to be in accordance with the Commission's Decision No. 87510 on own-source gas, issued June 28, 1977 in Case No. 9642.
5. With regards to rates, the revised rate schedule has reduced the complexity of the rate to a straight two-part rate; monthly capacity charge and a unit commodity charge.
6. The utility alleges that there will be no increase in revenues arising from these charges, nor will it cause the withdrawal of service or conflict with other rate schedules or rules.
7. The utility will file substitute tariff sheets should Commission action on other pending matters make it necessary, and

WHEREAS: An effective date of December 1, 1979 is requested to coincide with the anniversary date of the Long Beach Service Agreement; therefore, good cause appearing,

RETURN TO GAS BRANCH

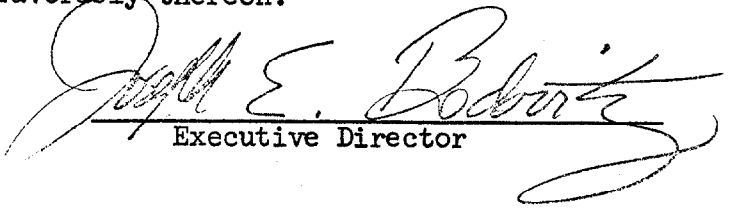

IT IS ORDERED that:

1. Authority is granted under Section 532 of the Public Utilities Code to make the above tariff sheets effective December 1, 1979, which constitutes regular statutory notice.

2. The above sheets shall be marked to show that they were approved for filing by Resolution No. G-2331 of the Public Utilities Commission of the State of California. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on the 30th day of November, 19 79, the following Commissioners voting favorably thereon:
