RESOLUTION NO. G-2348

R E S O L U T I O N

UTILITIES DIVISION
BRANCH/SECTION: Gas
DATE: May 6, 1980

RETURN TO GAS BRANCH

SUBJECT: Pacific Gas & Electric Company. Order Authorizing Acceptance of a Special Contract Under Conditions Deviating from Filed Tariffs.

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY, by Advice Letter No. 1078-G, filed April 18, 1980, has requested authorization to carry out the terms and conditions of a special contract with Delta Properties, covering a gas main extension to provide natural gas services to a commercial and industrial development in San Leandro, Alameda County, under conditions deviating from filed tariffs and resulting in the following:

1. The agreement deviates from filed tariffs in that the applicant will pay in advance of construction, a refundable advance of \$10,283 which represents the total cost of the system.
2. The agreement further deviates from filed tariffs in that the applicant agrees to pay a monthly cost-of-ownership charge of \$102.83 which represents 1% of the total advance.
3. In the event refunds are made, the monthly cost of ownership charge will be adjusted accordingly.
4. The applicant is constructing an industrial park (development), and the request for gas facilities in advance of utility service is in order to aid sales to the property.
5. The applicant is not the ultimate consumer of gas service to be provided, and since not all of the ultimate consumers have been determined at this time, exercising the Exceptional Case clause of Rule No. 15 is appropriate in this case.
6. The agreement is basically similar in content to the agreements filed by PG&E Advice Letters Nos. 1013-G through 1016-G, 1027-G through 1034-G, 1054-G through 1056-G, and 1072-G through 1075-G, authorized by Commission Resolution Nos. G-2253, G-2270, G-2319, and G-2344, dated November 28, 1978, April 10, 1979, November 6, 1979, and April 2, 1980, respectively, and

WHEREAS: We find that this agreement is compensatory and nondiscriminatory and will provide service to Applicant in such a manner as not to place a burden on other ratepayers; therefore, good cause appearing,

RETURN TO GAS BRANCH

IT IS ORDERED that:

1. Authority is granted under Section X.A. of General Order No. 96-A, and under Sections 454 and 532 of the Public Utilities Code to place the above contract into effect on May 18, 1980 which constitutes regular statutory notice.
2. The above advice letter and contract shall be marked to show that they were accepted for filing under Resolution No. G-2348 of the Public Utilities Commission of the State of California. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on May 6, 1980, the following Commissioners voting favorably thereon:

JOHN E. BRYSON
President
VERNON L. STURGEON
