RESOLUTION NO. G-2381

UTILITIES DIVISION  
BRANCH/SECTION: Gas  
DATE: October 22, 1980

RESOLUTION

RETURN TO GAS BRANCH

SUBJECT: Pacific Gas & Electric Company. Order Authorizing Acceptance of a Special Contract Deviating from Filed Tariffs.

WHEREAS: PACIFIC GAS & ELECTRIC COMPANY (PG&E), by Advice Letter No. 1112-G, filed October 1, 1980, has requested authority to carry out the terms and conditions of a special contract with Industrial Lite Subdivision (Ind. Lite) of Lodi, San Joaquin County, under conditions deviating from filed tariffs and resulting in the following:

1. The agreement deviates from filed tariffs in that Ind. Lite will pay PG&E, in advance of construction, an advance of \$10,097 which represents the total cost of the facilities installed.
2. The agreement further deviates from tariffs in that Ind. Lite will also pay to PG&E, a cost-of-ownership fund of \$8,506 which represents the present worth of 12% of the total cost of the system for 10 years at 7% interest per annum.
3. The applicant is constructing a commercial and industrial development and wants gas facilities in advance of requests for utility service.
4. The applicant is not the ultimate consumer of gas service to be provided, and since not all of the ultimate consumers have been determined at this time, exercising the Exceptional Case clause of Rule No. 15 is appropriate in this case.
5. In the event that refunds of the advance are made, the cost-of-ownership fund will be adjusted accordingly.
6. Any unrefunded portion of the advance will be retained by PG&E after 10 years and any unused portion of the cost-of-ownership fund will be returned to Ind. Lite at that time.
7. This agreement is basically similar in content with prior agreements filed by PG&E and authorized by prior Commission resolutions, and

WHEREAS: We find that this agreement is compensatory and non-discriminatory and will provide service to applicant in such a manner as not to place a burden on other ratepayers; therefore, good cause appearing,

IT IS ORDERED that:

1. Authority is granted under Section X.A. of General Order No. 96-A, and under Sections 454 and 532 of the Public Utilities Code to place the above contract into effect as of October 31, 1980, which constitutes regular statutory notice.

2. The above advice letter and contract shall be marked to show that they were accepted for filing under Resolution No. G-2381 of the Public Utilities Commission of the State of California. The effective date of this resolution is the date hereof.

I hereby certify that the foregoing Resolution was duly introduced, passed and adopted at a regular conference of the Public Utilities Commission of the State of California, held on October 22, 1980, the following Commissioners voting favorably thereon:
