RESOLUTION NO. G-2415

R E S O L U T I O N

UTILITIES DIVISION  
 BRANCH/SECTION: Gas  
 DATE: March 17, 1981

**RETURN TO GAS BRANCH**

**SUBJECT:** Pacific Gas & Electric Company, Gas Department. Order Authorizing Acceptance of A Special Agreement Under Conditions Deviating from Filed Tariffs.

**WHEREAS:** PACIFIC GAS & ELECTRIC COMPANY (PG&E), by Advice Letter No. 1141-G, filed February 23, 1981, has requested authority to carry out the terms and conditions of a special agreement with Southern California Edison Company (SCE) covering gas service to SCE's Cool Water Units 3 and 4 near Barstow, San Bernardino County, under conditions deviating from filed tariffs and resulting in the following:

1. This agreement is basically consistent with the standard Contract for Interruptible Service, Form No. 62-4739 and SCE will take service from PG&E under Gas Rate Schedule No. G-50.
2. The agreement deviates from filed tariffs in that SCE will pay PG&E, in advance of construction, \$61,487, which represents the difference between the standard gas extension supplied by PG&E, and the one requested by SCE to include an underground meter and regulator installation.
3. This special installation is requested by SCE to meet specific noise criteria and the expense of these extra facilities will be borne by applicant.
4. In addition to the advance SCE will pay PG&E a monthly cost-of-ownership charge of \$614.87, representing 1% of the advance.
5. Upon discontinuance of the facilities, SCE will pay PG&E, upon demand, a facilities termination charge defined as the estimated installed cost plus the estimated cost of abandoning the special facilities less the Advance paid.
6. In the event the Advance is greater than the facilities termination charge, PG&E will refund the difference, and

**WHEREAS:** We find that these agreements are compensatory and nondiscriminatory and will provide service to SCE in such a manner as not to place a burden on other ratepayers; therefore, good cause appearing,

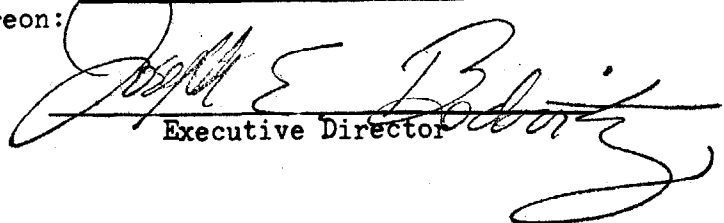

**IT IS ORDERED THAT:**

1. Authority is granted under Sections 454 and 532 of the Public Utilities Code to place the above special agreement into effect on March 25, 1981, which constitutes regular statutory notice.

2. The above advice letter and special agreement shall be marked to show that it was accepted for filing under Resolution No. G-2415 of the Public Utilities Commission of the State of California. The effective date of this resolution is the date hereof.
