Dear Ms. DeCannes:

We have reviewed the above referenced document and determined that it is  
not regionally significant per Areawide Clearinghouse criteria. Therefore, the project  
does not warrant clearinghouse comments at this time. Should there  
be a change, in the scope of the project we would appreciate the opportunity to  
review and comment at that time.

A description of the project was published in the April 1, 2001  
Intergovernmental Review Report for public review and comment.

The project title and SCAG Clearinghouse number should be used in all  
correspondence with SCAG concerning this project. Correspondence should be  
sent to the attention of the Clearinghouse Coordinator. If you have any questions,  
please contact me at (213) 236-1867.

Sincerely,
