

KOP-South-7 is located at the Buddhist Columbarium at Rose Hills Memorial Park. It represents views of the project through the Memorial Park. The foreground and midground consists of various portions of the Memorial Park. Also in the midground is a large agricultural area, which will be developed in the future as part of the Memorial Park extending to the ridgeline. An existing transmission line traverses this agricultural area.

Overall Visual Sensitivity: moderate-to-high. For people visiting the Buddhist Columbarium at Rose Hills Memorial Park in general and KOP-South-7 specifically, the ratings of high viewer exposure, moderate-to-high viewer concern, and moderate-to-high visual quality lead to a moderate-to-high overall visual sensitivity of the visual setting and viewing characteristics.
