

KOP-South-18 is located within a residential neighborhood in the City of Chino. The nearest transmission towers are approximately 600 feet to the east. The transmission corridor continues to the east-northeast to the edge of the foreground in this view, and the San Bernardino Mountains are very faintly visible in the background.

Overall Visual Sensitivity: moderate-to-high. For residents of Chipola Court in general and KOP-South-18 specifically, the ratings of high viewer exposure, high viewer concern, and moderate visual quality lead to a moderate-to-high overall visual sensitivity of the visual setting and viewing characteristics.
