RE: COSTS

Please provide, by November 30, 1999, an Excel or Access database (by e-mail or on floppy disks or CD), with a data dictionary, of all underground conversions since 1/1/1998, which includes the following data:

1. Name of project
2. Location: county; city; streets, current circuit numbers
3. Feet
4. Total cost of completed project
5. Specify the status of the project:
 - Proposed only (costs estimated)
 - Partially completed (costs estimated)
 - Construction essentially complete, but not in service (costs estimated)
 - Project in Service (costs firm)
6. Applicable Commission Rule (20a, 20b, or 20c)
