RE: AB 1763 (Blakeslee) — Support
Status: Senate Energy, Utilities & Communications (June 17, 2008 hearing)

Dear Senator Kehoe:

On March 13, 2008, the California Public Utilities Commission (Commission) voted unanimously to support with amendments AB 1763, which would require each electric and gas corporation to disclose and itemize the charges for each rate block (tier) above the baseline rate on customers' billing statements.

Please see the attached analysis for an explanation of the Commission's position.

If you have any questions or wish to discuss this matter further, please do not hesitate to call me at (916) 324-5945.

Sincerely,
