REVISED POSITION LETTER

June 11, 2008

The Honorable Curren Price
Member, California State Assembly
State Capitol, Room 2179
Sacramento, CA 95814

RE: AB 2307 (Price) – As Amended April 30, 2008 – SUPPORT
Status: Senate EU&C Hearing – June 19, 2008

Dear Assembly Member Price:

Please disregard our position letter dated June 2, 2008. The California Public Utilities Commission (Commission) supports your AB 2307, which would provide that a residential subscriber's decision to change a telephone service provider may be verified using an electronic means that complies with the Federal Communications Commission's regulations.

Contrary to the stated position of our analysis, the Commission's support of your bill is not conditional on your acceptance of our suggested amendments. As their title implies, they are simply suggestions. I apologize for any confusion this may have caused.

If you have any questions or wish to discuss this matter further, please do not hesitate to call me at (916) 327-8441.

Sincerely,

A handwritten signature in cursive script, appearing to read "Pamela C. Loomis".
