The Honorable Christine Kehoe
Chair, Senate Energy, Utilities & Commerce
State Capitol, Room 4038
Sacramento, CA 95814**RE: AB 2466 (Laird/Huffman) – As Amended June 12, 2008 – Support with technical amendments****Status: Senate Energy, Utilities & Commerce Committee**

Dear Senator Kehoe:

On May 29, 2008, the California Public Utilities Commission (Commission) voted unanimously to support with technical amendments your AB 2466, which would authorize a local government entity to receive a credit on their electric bill for power generated from a renewable energy facility owned by that entity that generates more energy than required to serve the site where the facility is located.

Please see the attached analysis for an explanation of the Commission's position.

If you have any questions or wish to discuss this matter further, please do not hesitate to call me at (916) 324-5945

Sincerely,
