Dear Senator Kehoe:

On April 10, 2008, the California Public Utilities Commission (Commission) voted unanimously to support AB 2768, which would allow a ratepayer installing solar the option of taking service under the new time-variant rate or a flat rate if there is a flat rate for which the ratepayer qualifies.

Please see the attached analysis for an explanation of the Commission's position.

If you have any questions or wish to discuss this matter further, please do not hesitate to call me at (916) 445-1430.

Sincerely,
