Sacramento, CA 95814**RE:** AB 2857 (Lieber) - As Amended May 8, – Support as Amended
Status: Senate Committee on Energy, Utilities and Communications (June 17, 2008)

Dear Senator Kehoe:

With the May 8 amendments to AB 2857, the California Public Utilities Commission (Commission) has changed its position to "Support as Amended." This bill would require the California Public Utilities Commission to grant eligibility for the California Alternative Rate for Energy (CARE) program to residential users of gas and/or electric service who reside in master-metered multiple residential complexes in which not all units are submetered.

If you have any questions or wish to discuss this matter further, please do not hesitate to call me at (916) 324-5945.

Sincerely,
