RE: SB 1737 (Kehoe) – As Amended March 27, 2008 – Support with technical amendments
Status: Assembly Committee on Utilities and Commerce

Dear Senator Kehoe:

On May 29, 2008, the California Public Utilities Commission (Commission) voted unanimously to support with technical amendments your SB 1737, which requires the Commission to evaluate and implement policies to promote the development of equipment and infrastructure needed to facilitate the use of electricity and natural gas to power low-emission vehicles (LEVS).

Please see the attached analysis for an explanation of the Commission's position.

If you have any questions or wish to discuss this matter further, please do not hesitate to call me at (916) 445-1430.

Sincerely,

A handwritten signature in black ink, appearing to read "Erin Grizard".
