Dear Senator Padilla:

On June 4, 2009, the California Public Utilities Commission (Commission) voted unanimously to oppose AB 1108 unless amended. AB 1108 requires the Commission to open a Rulemaking by January 1, 2010, to set terms for transferring the ownership and operation of gas and electric sub-metered systems from owners of mobile home parks to the serving utility in their territory. In addition, transfers must be completed by January 1, 2016.

Please see the attached analysis for a detailed explanation of the Commission's position.

If you have any questions or wish to discuss this matter further, please do not hesitate to call me at (916) 322-8858.

Sincerely,
