

California Solar Initiative Public Forum Agenda

The CSI Program Forum will take place on **Friday, October 12th from 10:00 a.m. to 5:00 p.m.** at the California Center for Sustainable Energy. The forum provides a public venue for interested parties to identify and discuss the highest priority issues related to the California Public Utilities Commission portion of the CSI program administration and implementation.

Topics include but not limited to changes to the CSI program requirements, regulatory updates, statewide statistics.

This forum will be held quarterly, and the Program Administrators will rotate hosting responsibilities. Please note that this meeting will not discuss design and implementation of the California Energy Commission's New Solar Homes Partnership.

Topics include:

- Multi-Family Low Income Solar Program
- Integration of Non-PV technologies into CSI
- Online Database
- BIPV Eligible for EPBB
- Shading Subcommittee Results
- Energy Efficiency for 2008
- PBI Size Changes
- Warranty for metering
- What's new/changing
- Open Discussion (2 hours minimum)
