Re: **General Order 88-B Request for Authority to Modify the State Route 60 (SR-60) Overhead Highway-Rail Crossing, CPUC Crossing No. 003-14.30-A, DOT No. 811059E, in the City of Industry, Los Angeles County.**

Dear Ms. Coke:

This refers to your letter, dated April 7, 2010 (received on May 27, 2010), requesting authorization, pursuant to Commission General Order (GO) 88-B, to modify the existing grade separated crossing of the Union Pacific Railroad Company (UPRR) tracks and State Route 60 (SR 60) in the City of Industry, Los Angeles County. The crossing is identified by CPUC Crossing Number 003-14.30-A.

In addition to UPRR freight trains, the Southern California Regional Rail Authority (SCRRA) and the National Passenger Railroad Corporation (Amtrak) operate passenger trains over this line.

The GO88-B request submitted by the Los Angeles County Sanitation Districts did not contain evidence of concurrence from the California Department of Transportation (Caltrans). Therefore your April 7, 2010 request is rejected. Once Caltrans reviews the plans for the SR-60 modifications and provides concurrence, please resubmit the request for our approval

If you have any questions, please contact Laurence Michael at (213) 576-7076 or ldi@cpuc.ca.gov.

Sincerely,

A handwritten signature in black ink that reads "Daren Gilbert".
