Dear Travis Williams:

This refers to your letter dated June 8, 2023, received by us on June 28, 2023, requesting authorization, pursuant to California Public Utilities Commission (Commission/CPUC) General Order (GO) 88-B, to alter the Ferrari Ranch Road rail crossing (crossing) of the Union Pacific Railroad (UPRR) track, in the City of Lincoln (City), County of Placer. The crossing is an east-west, five-lane roadway that consists of one track. The crossing is equipped with two curb-mounted Commission Standard 9-A (Flashing Light Signal Assembly with Automatic Gate Arm and Additional Flashing Light Signals over the Roadway on a Cantilevered Arm) and two median-mounted Commission Standard 9 (Flashing Light Signal Assembly with Automatic Gate Arm) warning devices.

The Commission's Rail Crossings and Engineering Branch (RCEB) reviewed the request by the City. As the City and UPRR agree on the alterations and apportionment of costs under the provisions of GO 88-B, the following alteration as described and specified in the request letter and its attachments is authorized: install train-activated R3-1 (ACT) NO RIGHT TURN blank-out signs on existing traffic signal poles on the west side of Lincoln Boulevard.

Temporary traffic controls shall be provided in compliance with the California Manual on Uniform Traffic Control Devices (CA MUTCD), published by the California Department of Transportation. All parties shall comply with all applicable rules, including Commission General Orders and CA MUTCD.

This authorization shall expire if the full scope of alterations is not complete within three years of the date of this letter. The City may request a time extension at least 30 days prior to the expiration date. The time extension request shall include evidence of agreement by involved parties. This authorization may be revoked or modified if public convenience, necessity, or safety requires.

This project is categorically exempt from the requirements of the California Environmental Quality Act of 1970, as amended. [California Public Resources Code §21084].
