PURPOSE

This workshop will facilitate collaboration among regional consortia, stakeholders, local governments, existing facility-based broadband providers, and consumers regarding cost-effective strategies to reach unserved areas. Please expect additional information and adjustments to this agenda in the coming weeks, but the time, date, and location of the workshop are all final.

9:30	Welcome and Introductions – <i>Commissioner Martha Guzman Aceves</i>
9:45	Provider Panel on the Connect America Fund – <i>CASF Staff and Providers</i> Facilitated discussion about available and potential channels for addressing communities’ questions about CAF investments and opportunities to leverage funds from the FCC’s CAF program. Providers will also deliver updates on their CAF commitments.
10:15	Finding Viable CASF Projects – <i>Tom Glegola, Supervisor, CASF Infrastructure Section</i> <i>Consortia Representatives and Providers</i> Collaborative presentations on project locations in need of a provider, chosen by both Consortia and CASF Staff, using the Broadband Map. Questions for providers on what they think it would take to serve these areas and barriers to doing so.
12:15	Lunch
1:30	Finding Viable CASF Projects (cont.) – <i>Peter Pratt, Senior Analyst, Video Franchising and Broadband Analysis Section</i> Overview of Federal funding programs and opportunities for aligning Federal funding programs with CASF.
2:00	Adoption Program Overview – <i>Selena Huang, Supervisor CASF Adoption and Access Section</i>
2:15	The Adoption Program – <i>Ava Tran, Senior Analyst, CASF Adoption Account</i> Discussion on how to maximize participation in existing low-income broadband subscription offerings including coordination with grantees.
4:15	Summarizing Discussion and Next Steps – <i>Commissioner Martha Guzman Aceves</i>
4:30	Adjourn
