RESPONSE OR PROTEST¹

Anyone may respond to or protest this advice letter. A response supports the filing and may contain information that proves useful to the Commission in evaluating the advice letter. A protest objects to the advice letter in whole or in part and must set forth the specific grounds on which it is based. These grounds are:

1. The utility did not properly serve or give notice of the ADVICE LETTER;
2. The relief requested in the ADVICE LETTER would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the ADVICE LETTER contain material letter error or omissions;
4. The relief requested in the ADVICE LETTER is pending before the Commission in a formal letter proceeding; or
5. The relief requested in the ADVICE LETTER requires consideration in a formal letter hearing, or is otherwise inappropriate for the ADVICE LETTER process; or
6. The relief requested in the ADVICE LETTER is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

A protest may not rely on policy objections to an ADVICE LETTER where the relief requested in the ADVICE LETTER follows rules or directions established by statute or Commission order applicable to the utility.

A protest shall provide citations or proofs where available to allow staff to properly consider the protest. DWA must receive a response or protest via email (or postal letter mail) within 20 days of the date the ADVICE LETTER is filed. The addresses for submitting a response or protest are:
