Advice Letter No. 19-W

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Slide Inn Water Co., LLC (SIWC) hereby transmits for filing one original and one copy of this advice letter 19-W including the following tariff sheets and supporting information which are enclosed:

REQUEST\PURPOSE

By AL 19-W, SIWC requests compliance with the March 26, 2020 letter to Class B, C, and D Water and Sewer Utilities, signed by Alice Stebbins, Executive Director, regarding Emergency Customer Protections to Support Customers Affected by the COVID-19 State of Emergency. Please activate SIWC CEMA on the effective date of Advice Letter 19-W.

BACKGROUND

On March 4, 2020, Governor Newsom declared a Statewide emergency due to an outbreak of a respiratory illness caused by COVID-19. In response, SIWC suspended disconnections for nonpayment and implemented flexible payment plans for all residential and non-residential customers. These measures will remain in place until further notice.

ELIGIBILITY REQUIREMENTS FOR EMERGENCY CUSTOMER PROTECTIONS

Through this advice letter, SIWC will implement consumer protections as described below for customers who self-certify that they have been financially affected by COVID-19, effective March 4, 2020, and will remain in place until March 4, 2021, or until otherwise ordered by the Commission.

SIWC customers who self-certify that they are experiencing economic hardship due to COVID-19 will have their accounts identified or flagged in SIWC's Customer Service System (CSS) as eligible for billing and credit protections as extended by the Commission. SIWC will provide the following billing and credit protections:

1. Suspend disconnections for affected customers

When a customer self-identifies to SIWC as being affected by COVID-19, SIWC will suspend disconnections activities for those customers.

3. Implement flexible payment plan options

SIWC will collaborate with affected customers to establish reasonable payment arrangements based upon the individual customer's needs. SIWC may also recommend agency assistance and programs available to qualifying, affected customers. At a minimum, SIWC will collaborate with customers who have prior arrearages to establish the following bill payment arrangements:

- Initial payment no greater than 20 percent of the amount due; and
- The remainder in equal installments over at least 12 billing cycles.

For those affected customers with utility service but who go into arrearage after March 4, 2020, SIWC will establish the following bill payment arrangement:

- Initial payment no greater than 20 percent of the amount due; and
- The remainder in equal installments over at least 8 billing cycles.
